

# How to improve motivation

ROWENA, LARA, MELISSA, MATHIJS, RADIYAH, EMELIE, MATHIJS, ELZE

# What will we focus on?

- ▶ Peer support
- ▶ Teachers
- ▶ Help yourself
- ▶ School
- ▶ Concrete plan

# How can peers support each other?

- ▶ Study groups
- ▶ Buddy system
- ▶ Fun activities
- ▶ Motivating friends

**PEER SUPPORT**

# What can the teacher improve?

- ▶ Students feel more motivated when the teacher recognises their work and praises good attitude
- ▶ Good relationship with students
- ▶ Interesting projects
- ▶ Challenging projects to keep students interested
- ▶ Give feedback, not just grading but something to do with results
- ▶ More options in assignments so students can decide what they want to do

# How can students motivate themselves?

- ▶ Challenging yourself
- ▶ Set personal goals
- ▶ Choose subjects you're interested in
- ▶ Self reflection on progress
- ▶ Planning combination between school and personal things

# What can the school improve?

- ▶ Let the students plan their hours: what do I need to focus on?
- ▶ After hours for students to finish homework in school with support from teachers
- ▶ Focus on art and theatre, what is the student interested in?
- ▶ Personal development
- ▶ Many school trips

# What will change?

- ▶ Study groups
  - small groups after school
  - teacher supported
- ▶ Feedback
  - written personalized feedback
- ▶ Personal goals
  - interested
  - self-reflection on progress
- ▶ Homework hours after class
  - no homework at home
  - help with planning or hard subjects
